BURGERS & DOGS CRUISE AMSTERDAM

There is no better way to experience Amsterdam than from the water. Well maybe... if you add a really good burger, a hotdog and a cold drink!

CREATE YOUR OWN BURGER & HOTDOG DURING THIS CRUISE

You are the boss on this Burgers & Dogs Cruise. Our chef will serve you a juicy burger (125 gram of beef) & hotdog – and YOU can dress it up any way you like. Are you a classic hamburger type that goes for a lettuce, tomato, mayonaise & ketchup combo? Or do you like to spice up that Hot Dog with a hand full of jalapenos & some cheese?

But of course you can enjoy more than just your food on this 90 minute night time cruise. All the cities highlights will pass right by your window. And if you plug into our Personal Audio System, we will tell you all about them in one of the available 21 languages. Feel free to order another drink: Heineken beer, house wines & soft drinks are all included in this cruise.

PLEASE NOTE!

Starting from the 1st of November, our Burgers & Dogs cruise will depart from our dock across Hard Rock Café (Stadhouderskade 501).
