

The Shard

London's Highest Viewing Platform

London's highest and best view is situated at the top of The Shard, on floors 68, 69 and 72. At almost twice the height of any other viewing platform in the capital, it offers visitors unparalleled 360-degree views for up to 40 miles.

Book your tickets now for your chance to see London in high definition at The View from The Shard. All tickets are dated and timed for your arrival, but once at the viewing platforms the experience is enjoyed at your leisure, with no time restriction on your stay. You will be able to choose the time of your visit and can enter The View up to 30 minutes from the time printed on your ticket - and the weather guarantee means that in the event of bad weather you'll be able to come back for free.
